The Chairman noted that the preceding year had been difficult for both the community and the council. He had studied the minutes but there had been nothing special to note. The only planning issue which had raised concerns in the Parish had been withdrawn.

The Chair noted that Anthony Hayward, who had been clerk since 1985 had resigned as clerk during the year. The Chair thanked him on behalf of the Parish Council for all his work.

The Chairman expressed his hope that the next meeting would be face to face rather than video link.
